

3 Leaves Service Unit World Thinking Day 2015

Our 2014 World Thinking Day Event is Sunday February 01, 2015

2:30 PM to 4:30 PM at Clairmont Presbyterian Church

This event is free!

\$1.00 per scout donation to the Juliette Gordon Low World Friendship Fund is suggested

We want to involve as many troops as possible in the planning and activities for this traditional Girl Scout multicultural celebration! There are several ways to participate:

- Troops can present a booth (table display) representing their selected country and act as ***Ambassadors** of that country.
- Troops can attend as **Tourists** and tour the countries represented. Each scout is encouraged to bring a passport book to collect information cards from the hosting nations. These Passports can be found at the "Making Friends" website:
http://www.makingfriends.com/world/thinking_day_passport.htm

OTHER WAYS TO PARTICIPATE

- Troops can host a trivia table about World Thinking Day nations
- A Troop can host a Flag Ceremony
- Troops can host a game table with unique games from foreign countries!
- Troops can learn songs from foreign countries and lead a song-learning station!
- Older Troops can host an activity table for younger scouts, with coloring pages, paper dolls, and simple crafts from foreign countries!

* Ambassador troops should prepare a table display representing their nation, prepare a dish from that country to share with others, and are encouraged to wear native costumes. Have fun with it and be creative!

* Bonjour! *Ambassadors* should learn a greeting in the language of their nation to greet the "tourists."

* *Ambassadors* should make SWAPS representing their nation and should print the passport page for their nation from the "making friends" website – or design their own!

Troop 12539 is very excited to host World Thinking Day!
