

Lanier SU Troop 786 Presents
Scary Stories 2007

Troop 786 invites you to join us for our **6th** annual Scary Stories event.

We will have a professional storyteller tell an hour of “scary stories” around a campfire. An event patch, swap and treat will be given to each person who attends. Time will be given for troops to make their own s’mores.

This event is not recommended for Daisies. Please use discretion with your girls, as these are “ghost type” stories being told in the spirit of Halloween.
