Celebration of Girls

Girl Scouts everywhere are preparing to celebrate 95 years of Girl Scouting and our mission: "Girl Scouting builds girls of courage, confidence and character, who make the world a better place." Join Girl Scouts as we make new friends at the sixth bi-annual "Celebration of Girls Around the World." This is a fun-filled day of excitement, entertainment and education, including **door prizes, free resources, patches, crafts, games and even a fashion show by Club Libby Lou**. We look forward to seeing all Girl Scouts from the ages of 5-17 and their family and friends from the State of Georgia. Tickets are available by registering or at the door!

Your Assistance is Needed...

WE ARE LOOKING FOR VOLUNTEERS FOR THE FOLLOWING POSITIONS FOR THE NEWTON/ROCKDALE TWILIGHT DAYCAMP.

- First Aider who will organize kits, medicines, health histories and allergy list.
- 2 program coordinators who will plan, implement and evaluate activities (craft, games and team building).
- 10 Program Aides (girls who are age 13 and up with camping experience preferred to lead or assist in activities).
- 10 general volunteers that will work with girls in the program within the various units (groups) or activities or whole camp festivities.
- 2 Dads to coordinate the car rider lanes at the beginning and end of camp.
- 4 general volunteers to monitor and sing songs during pre-camp/snack time for 5-5:30.

If you are interested in volunteering please contact Tameeka Robinson

Craft Corner~

Looking for a fun sewing project for those with little experience? A scarf is the perfect project for kids, especially with cooler weather just around the corner. Even parents with minimal sewing experience can guide their kids in making these. Ages 8 and up.

What You Need:

- ½ yard of fleece fabric
- Sewing Machine
- Thread to Match the Fabric
- Scissors (Fabric Scissors)

What You Do:

1. Cut two pieces of fleece equal in length and width. Length will determine how long your scarf will be.
2. Lay the two equal pieces with the right sides (the side that has the pattern on it) facing in each other.
3. Leaving approximately a ¼" seam, sew the full length of the scarf. Repeat on the other side. You will end up with a long tube of fabric with open ends.
4. Using a pair of scissors, cut the fringe by cutting ½" wide slits about 4" up from each end.
5. Turn scarf inside out so that the sewn seams are now on the inside, finished edges are on the outside.
6. Sew a running stitch along the top of the fringe to "close" the ends of the scarf.
7. Trim any loose threads and you are done!
