HELP MAKE IT A HIT!

Hi! My name is **Jeanne Andres** and I am the **Metro 3 Program Specialist**. This year the Metro 3 theme is Theatre so you will see various Theatre/Film references throughout the regional newsletter this year. The purpose of this newsletter is to communicate to girls and leaders in the Metro 3 region program opportunities, recognition, tips, new program resources, and most important spotlighting the girls and adults in our region and their accomplishments in the community. I need your active involvement in the newsletter. We have a large territory and I can't be everywhere all of the time. So if you see great happenings please zip me an email or jot me a note so that I can spotlight it in the next newsletter. I am always looking for girl submissions poetry, photos, reflection letter, etc. Girls if you have an outstanding leader and just want to say "Thank You" send it my way! **This newsletter is meant to be read by both Girls and Troop Leaders.** I look forward to making this Girl Scout year a HIT! Please feel free to contact me if you have any program questions or suggestions throughout the year.

Your sister in Girl Scouting,

Jeanne Andres
