Calling all Troop Leader Coaches (TLC's)

Have you been a leader for more than two years?

Have you led multi level troops?

Have you led more than one Girl Scout age level?

Do you enjoy working with Adults who are eager to learn?

Do you love learning new information and sharing it with others?

If you answered YES to any of those questions then you would be an excellent Troop Leader Coach. As a TLC you would

- Serve as a mentor to brand new troop leaders.
- Receive up to date program information for your council and communicate the information back to your Service Unit.
- Inform leaders about the new Girl Scout Leadership Model, Pathways and Journeys.
- Be a member of your Service Unit Team.

If you are interested in this exciting, valuable role please contact your Service Unit Director or your Council Program Specialist, Jeanne Andres (404) 527-7449 or jandres@girlscoutsnwga.org.

Mission Statement: Girl Scouting builds girls of courage, confidence and character, who make the world a better place!

Terrific Thursdays = Community Service Bar!

Come to the Girl Scout Resource Center in Atlanta this July to complete the four hours of training you need to start work on the Community Service Bar for Contributions to Girl Scouting (Green.) Choose any two sessions (or all three if you like!) to complete the required training. Each week you'll use "Treasure Boxes" (activity kits) from the Resource Center to learn activities to teach to younger Girl Scouts. When you complete your training you'll be eligible to check out the boxes to use when you give service. The weekly themes are:

July 10: Just Naturally Fun (nature fun and discovery)

July 17: The Science of... (hands-on science experiments)

July 23: Around the World (Guides and Girl Scouts in other countries.)

\$3 per session/Contact: Margaret Paschal at mpaschal@girlscoutsnwga.org or (404) 527-7672.
