Instructions for Completing the Financial Assistance Request Form

In order to review and process your request, all sections applicable to your request are **required** on the reverse side. Any information not completed on this form will delay your request. This form must be completed by a **parent/guardian**, or the **adult** requesting assistance for themselves. Please be sure to check the girl or adult block to ensure appropriate processing of application. We **do not** provide assistance to an entire troop. Please note that each girl or adult in need of assistance is limited to **two requests** per membership year.

Please include this form with your Mountain Magic Registration & Class Selection form. Do NOT send to Council. All financial assistance requests will remain confidential.

SECTION I: This section is to be completed by **all** applicants. In the instance of an adult applying for an educational opportunity there may/may not be a troop number or leader, and those lines may be left blank. The program level check blocks can be checked for adult applicants, which would only indicate the program level of girls you volunteer with. Please be sure to include the service unit name.

SECTION II: The United Way and other donors **require** information on the household income of the families we serve and your request will not be granted if left blank.

SECTION III: This section is for your input. All information supplied is confidential.

SECTION IV: This section is used when requesting assistance to attend a **council event** or **council approved day camp** only. Assistance that is granted will be applied to the event fee and included in any confirmation notices (event registration form, along with 50% payment must be sent in with financial assistance form). Please note that assistance is not available for service unit or troop planned events.

SECTION V: This section is used when adults are requesting assistance to attend a training offered through our council and 50% payment is required. Limited training books are available.

MEMBERSHIP FEES: To request assistance for these fees, select the appropriate area on the membership registration form.

*A gift to the **Annual Fund** ensures financial assistance is available for every girl and adult who need help to participate in Girl Scouting.*
