Out of my window lookin' in the night I can see the barges' flickering light. Silently flows the river to sea,
and the barges too go silently.

(Chorus)

Out of my window lookin' in the night, I can see the barges' flickering light.
Starboard shines green and port is glowing red, in the night they signal far ahead.

Bill Grogan's Goat
Was doomed to die.

He gave three groans
Of awful pain
Coughed up the shirts
And flagged the train!

Bill Grogan's Goat, not a billy but a goat,
Was feelin' fine, not sad but fine,
Ate three red shirts, not socks but shirts,

There's a duty to be done and I say "aye".
There's a reason here for a reason above.
My honor is to try and my duty is to love.

People don't need to know my name.
If I've done any harm, then I'm to blame.
If I've helped anyone, then I've helped me.
I've opened up my eyes to see.

I've tucked away a song or two.
When you're feeling low, there's one for you.
If you need a friend, then I will come,
And there's so many more where I come from.

(Chorus)

Come with me where the fire burns bright,
We can even see better by the candle's light.

We'll still be trying and a-singing this song.

It rolled in the garden, And under a bush,
And then my poor meatball, Was nothing but mush.

The mush was as tasty, As tasty could be,
And then the next summer, It grew into a tree.

Upper part:

Swinging along the open road,
Swinging along under a sky that's clear,
Swinging along the open road
All In the fall, in the fall of the year,
Swinging along, swinging along, swinging along the open road,
All in the fall of the year!

45. TAPS

Day is done, gone the sun,
From the lake, from the hills, from the sky;
All is well, safely rest, God is nigh.

Thanks and praise, for our days,
'Neath the sun, 'neath the stars, neath the sky;
As we go, this we know, God is nigh.

On this day, we have come
From the North, from the South, East and West
All your dreams will live on, Juliette

46. THE BEAR WENT OVER THE MOUNTAIN

Tune: For He's a Jolly Good Fellow

The bear went over the mountain (3x)
To see what he could see

And all that he could see
And all that he could see was

The other side of the mountain (3x)
Was all that he could see!

47. THE MORE WE GET TOGETHER

The more we get together
Together, together,
The more we get together,
The happier we'll be.

For your friends are my friends
And my friends are your friends
The more we get together,
The happier we'll be.

48. THIS IS MY COUNTRY

This is my country! Land of my birth!
This is my country! Grandest on earth!
I pledge thee my allegiance, America, the bold,
For this is my country, To have and to hold.

This is my country! Land of my choice!
This is my country! Hear my proud voice!
I pledge thee my allegiance, America, the bold,
For this is my country, To have and to hold!

49. THIS LITTLE LIGHT OF MINE

Chorus: This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
Let it shine, let it shine, let it shine

I won't let anyone blow it out, I'm gonna let it shine. (3X)
Let it shine, let it shine, let it shine.

(Chorus)

I'm gonna take this light around the world and I'm gonna let it shine. (3X)
Let it shine, let it shine, let it shine.

50. WHEN E'ER YOU MAKE A PROMISE

When e'er you make a promise,
Consider well its importance,
And when made,
Engrave it upon your heart!

51. WHITE CORAL BELLS

White coral-bells upon a slender stalk
Lilies of the valley deck my garden walk.
Oh don't you wish, that you could hear them ring?
That will happen only when the fairies sing

52. I'M A LEADER

Tune: Battle Hymn of the Republic

I was glad to have a girl because our first child was a son,
I thought of all the ruffles, all the frilly bows and fun.
I thought of how we'd sit and talk at night when day was done,
Wasn't I the foolish one.

She was only half past seven when they called me to the fore.
I said "I'm not equipped" They said "Oh, yes you are, what's more
We'll train you in the basics, we'll outfit you for the corps",
Why couldn't I have had a son?

Glory, Glory I'm a leader. How'd I get to be a leader?
All I did was have a daughter. Is this the price I pay?

They taught me to be thrifty, to be thoughtful, to be true.
They taught me how to string beads, like the noble Indians do.
I had to learn to dig a trench, and how to use it too.
And you should taste the stew!

I had to learn to sing songs that I didn't understand.
I learned to dance the polka and to make a rhythm band.
To think of what to do and then forget what I had planned.
And they say Scouting's grand.

Glory, Glory I'm a leader. Me, they had to make a leader.
I can't even build a fire, Let alone put up a tent!

We went walking in the woodlands, my Girl Scout troop and me.
The handbook says that nature has a wealth of sights to see.
It's true we sure were sights when we were found eventually,
And I do all this for free.

I'm not meant to be a leader, I don't know which bird is which.
My wiener fork's all burned up, we come home from hikes and itch.
The sit-upons all fell apart, I showed them the wrong stitch,
But no one wants to switch.

Glory, Glory I'm a leader. Hallelujah, I'm a leader.
Tell me why I should be happy, When no one envies me.

But even though I grumble and I mumble and I shout.
Though there are days I wonder, what's the best way to get out.
I guess when all is said and done, there isn't any doubt.
I'm glad to be a Scout!

Glory, Glory I'm a leader. Someone's got to be a leader.
They can carve it on my tombstone, "Here's a girl who did her best!"
